

INDUSTRIAL BELTING CATALOG

Convey Excellence

Sparks industrial belting products are tough, rugged, and reliable.

ONE supplier CAN do it all

Sparks designs, builds and installs innovative belt systems that work for even the toughest industrial applications.

Complete Solutions

A wide variety of products available from one supplier - flat belting, custom fabrication, modular plastic belting, and stainless steel motorized pulleys that meet industry standards for even the most challenging industrial requirements.

Service and Support

With locations in the U.S. and Mexico, Sparks is a national company with regional centers offering customers fast turnaround, large inventory selection, on-site installations and support, all delivered with exceptional service.

Sparks offers the widest range of industrial belting and custom fabrication, along with unmatched expertise and application experience, to help you develop new and unique problem solving solutions including:

- High-speed quiet weave technology
- Abrasive resistant covers
- Cut resistant covers
- Urethane covered laces
- Non-cracking surface
- High tensile strength
- Oil resistant
- UV resistant
- Anti-static

From a simple lace to a complex custom polyurethane mold, Sparks can manage the entire project.

V-Guides

- Continuous
- Notched
- 3M dot guide
- Segmented polyurethane

Lacing

- Regular alligator
- Clipper
- Urethane covered
- Alligator staple
- Plastic spiral
- Hinged plate

Splicing

- Finger
- SFL
- Step
- Specialty

Cleats

- T-Cleats
- Angled scoop
- Corrugated sidewalls
- Urethane cleats

Cast Urethane

- Urethane wire mesh
- Conveyor belt wear strips
- Extra thick urethane covers
- Urethane Splices

Automotive & Tire

- **Metal stamping & blanking**
- **Automotive assembly**
- **OEM**
- **Tire manufacturing**
- **Rubber mixing & extrusion**
- **Robotics**

Building Trades

- **Fiberglass**
- **Roofing**
- **Gypsum**
- **Foam**
- **Concrete & bricks**
- **Ceiling & flooring tiles**
- **Woodworking & cabinetry**

Distribution & Package Handling

- Warehouse distribution & logistics
- Merging & gapping
- Accumulation
- Telescopic loaders & extendos
- Sortation
- Curve conveyors
- Drive belts & live roller conveyors

Box, Carton, & Paper

- Corrugated box
- Carton manufacturing
- Paper & print
- Envelope & mail sorting
- Specialty packaging

Recycling

- **Single & dual stream**
- **Automotive**
- **Paper**
- **Electronics**

Steel & Metal Forming

- **Steel mills**
- **Metal stamping**
- **Appliance manufacturing**
- **Recycling centers**
- **Aluminum cans & packaging**

Additional Products and Services

Conveyor Belting and Custom Fabrication

- 200+ standard materials in stock, with custom belting products available
- Full line of custom fabrication services:
 - Endless construction
 - Laced ends
 - Cleats/flights (rib, urethane, T-cleats, super, box, angled)
 - V-Guides (continuous, notched, custom-cast segmented)
 - Corrugated sidewalls
 - Hole punching
 - Capped edges
- Innovative solutions to meet food safety, hygiene, high release, chemical resistance and other challenging operating requirements
- Expertise supporting food grade and industrial OEM applications

Dura-Lock Plastic Modular Belting

- All standard materials are FDA approved for direct food contact (polyethylene, polypropylene and polyacetal)
- Special materials/additives available for challenging tasks and requirements:
 - Constant high temperature
 - High pulling force
 - Electrical conductivity
 - Non-stick
 - Detectable polyethylene
 - FDA approved, V-O rated flame retardant

Dura-Drive PLUS Motorized Pulleys

- Cost effective alternative to conventional drive pulleys
- One-piece: all moving parts are enclosed in a stainless or regular steel shell
- Energy efficient, highly sanitary, quiet operation
- Low maintenance: no chains or v-belts to tighten or replace; no sprockets to align, clean or lubricate; no bearings to grease; and no chain guards to replace
- Guaranteed to power your belt conveyor for years

All Plastic Flat, Rounds, Vees & Positive Drive Belts

- Innovative plastic positive drive product
- Offers superior hygiene and tracking
- Covers a variety of hardness, colors, unique profiles and reinforcements to meet specific design needs

Quality. Experience. Value.
Sustaining our tradition of
conveying excellence.

Installation Services

Sparks has a true nationwide footprint that allows us to call on and service any customer in the continuous 48 states. With 75 years in business, we make commitments to our clients like few others in the industry. Bottom line is—

When you need us, we are there.
